

SAJJAD AHMED

REACT NATIVE DEVELOPER

Shahdadpur, Sindh, Pakistan | sajjadahmednizamani9@gmail.com

SUMMARY

Dynamic React Native Developer with a proven track record in freelancing, skilled at API integration, state management, and performance optimization. Proficient in JavaScript with strong communication skills and a focus on delivering impactful applications. Experienced in building AI-powered apps, e-commerce platforms, and real-time solutions that enhance user engagement and functionality.

EXPERIENCE

Freelancing

Jan 2024 - Present

- Integrated third-party APIs, such as payment gateways and social media SDKs, to enhance app functionalities. Collaborated with design teams to ensure UI/UX consistency across mobile apps. Implemented state management using Redux to handle complex data efficiently flowing in the app. Implemented push notifications using Firebase Cloud Messaging for user engagement. Optimized application performance, reducing load times by 25% through efficient coding and resource management.

PROJECTS

Self-learning

Jan 2023 --present

- **Sketchify AI App:** Image-to-sketch and text-to-image app with video sketch generation using React Native, Flask, and OpenCV.
- **Chat App:** Real-time messaging app with authentication and media sharing using React Native and Firebase.
- **Travel & Tourism App:** Companion app for exploring destinations, booking hotels/tours, and real-time weather updates using React Native and travel APIs.
- **Shoes Shop App:** E-commerce app for footwear browsing, secure checkout, order tracking, and promotions using React Native and Firebase backend.
- **Plant Disease Detection App:** AI-based app for detecting plant diseases from leaf images and providing treatment suggestions using React Native and deep learning.

SKILLS

React Native	API Integration	Team work
JavaScript	Database	Wordpress

EDUCATION

BS in Computer Science Sukkur IBA University

Sep 2022 - Present

Focused on software development and mobile application programming.
